

IFMA MEMBERSHIP HIGHLIGHT

Welcome to the Central Iowa Chapter of IFMA!

I am Jessica Cunningham, your 2020-2021 Membership Chair. My primary goal is to grow our local membership by enhancing your membership experience.

I look forward to connecting with every new member to ensure you are aware of the valuable resources IFMA has to offer! Our IFMA Central Iowa Steering Committee wants to make YOUR goals, as a Facility Management Professional, our number 1 priority.

Due to COVID 19, both IFMA International and our Central Iowa Chapter are focusing on virtual programming. Many educational opportunities are available in various virtual formats. Our members are happy to share information about these terrific resources offered by our Central Iowa Chapter:

- Facility Tours
- Educational & Accreditation Opportunities
- Fun Networking Events

We appreciate our Members. Please take a look at our [New Member Highlight](#).

For further information or to offer valued feedback re: your Facility Management needs, please contact me on our [contact page](#).
